Uptree IFP Sliding Board

Experience the perfect fusion of innovation and practicality with the Uptree IFP Sliding Board – a smart companion for your Interactive Flat Panel (IFP).

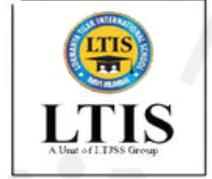

Engineered with a smooth dual sliding mechanism, it allows you to effortlessly transition between traditional writing surfaces and digital displays, offering the best of both worlds.

Built with a premium, durable frame and high-quality enamel or ceramic writing panels, the Uptree IFP Sliding Board ensures smooth writing, easy cleaning, and long-lasting performance. Its sleek and modern design enhances any environment, making it the perfect addition to classrooms, conference rooms, and training centers seeking a professional and versatile presentation setup.

Key Features:

- Dual sliding panels for flexible use – seamlessly switch between digital display and manual writing surfaces
- Smooth and silent sliding mechanism for effortless operation
- Compatible with all Uptree IFP models, ensuring a perfect fit and integration
- Magnetic, scratch-resistant surface – ideal for pinning notes or accessories without damage
- High-quality enamel or ceramic writing panels for easy writing and long-lasting clarity
- Elegant aluminum frame with a modern, professional finish
- Soft-closing system to prevent impact or noise during panel movement
- Wall-mount or stand-mount compatibility for versatile installation options
- Stain-resistant and easy-to-clean surface, maintaining a fresh look even with frequent use
- Durable construction designed for daily heavy-duty performance
- Customizable sizes and color options available to suit different environments
- Anti-glare coating on writing panels for clear visibility under all lighting conditions
- Corrosion-resistant frame and fittings ensuring long life and low maintenance
- Integrated marker and duster tray for convenience and organization
- Child-safe rounded edges for added safety in school environments
- Environment-friendly materials complying with modern safety and sustainability standards
