Uptree PTZ Camera

Experience crystal-clear video and effortless control with the **Uptree PTZ (Pan-Tilt-Zoom) Camera**, engineered for classrooms, conference halls, auditoriums, and studios. Designed to deliver professional-grade visuals, this camera combines cutting-edge optics with intelligent tracking for a truly hands-free experience.

Key Features:

- **Full HD / 4K Resolution:** Capture every detail with ultra-clear image quality and vibrant color reproduction.
- **Smooth Pan-Tilt-Zoom Function:** Enjoy wide-angle coverage with precision motor control for seamless movement.
- **Auto-Tracking Technology:** Intelligent face and motion tracking ensures the speaker always stays in focus.
- **Multiple Connectivity Options:** HDMI, USB, LAN, and SDI support for flexible integration with any setup.
- **Crystal-Clear Audio:** Built-in noise reduction and echo cancellation for superior sound clarity.
- **Remote Control & Preset Positions:** Easily adjust angles and zoom levels with a remote or software control.
- **Ideal For:** Smart classrooms, corporate meetings, webinars, online teaching, and live streaming.

The **Uptree PTZ Camera** is equipped with multiple connectivity options including **NET, HDMI, USB 3.0, DC 12V, and RS232 ports** at the back, allowing easy integration with displays, computers, and control systems. It delivers smooth pan, tilt, and zoom performance with clear, detailed video output — ideal for classrooms, conferences, and live streaming setups. With flexible installation and reliable performance, the **Uptree PTZ Camera** ensures professional-quality communication in every environment.

MULTIPLE CONNECTING PORTS

NET | HDMI | USB 3.0 | DC 12V | RS232

STAY IN FOCUS

4K PTZ Camera with
Advanced Auto-Tracking

Closer Look, Clearer View

12X Optical Zoom:

Enjoy exceptional image clarity with 12X Optical Zoom, delivering smooth, detailed, and distortion-free visuals. Whether in classrooms, meetings, or live events, it captures every detail with precision while maintaining perfect focus and image quality.

16X Digital Zoom:

Extend your reach with 16X Digital Zoom, allowing you to bring distant subjects closer without compromising sharpness. Perfect for presentations, lectures, and live sessions, it ensures every important moment is seen clearly and vividly.

Remote Control

Experience effortless control with the **Uptree PTZ Camera**. Equipped with a **remote control**, it allows smooth adjustment of pan, tilt, and zoom functions from anywhere in the room. Easily switch angles, focus on speakers, or zoom in on details — all with a simple click for a seamless and professional experience.
