## Uptree Scrolling LED Board

The **Uptree Scrolling LED Board** is a digital display designed to show text, announcements, and promotional messages with high brightness and clear visibility. It is ideal for schools, offices, retail stores, and public spaces for quick and effective communication.

With energy-efficient LED technology, customizable text, and easy message updates, it provides a modern and reliable solution for displaying notices, advertisements, and important information.

### Key Features:

**High Brightness Display**

**Multiple Scrolling Effects**

**Energy Efficient**

**Durable & Reliable Build**

**Easy Message Customization**

**Multiple Connectivity Options**

## Single Color Scrolling LED Board

**The Uptree Single Color Scrolling LED Board** is a simple digital display that shows text, announcements, and messages in a single LED color with bright visibility. It is ideal for schools, offices, shops, and public places.

With energy-efficient LED technology and easy message control, it provides a reliable and cost-effective solution for displaying notices and updates.

## Tri-Color Scrolling LED Board

**The Uptree Tri-Color Scrolling LED Board** is a digital display that uses three LED colors to show text, announcements, and promotional messages in a vibrant and eye-catching way.

Ideal for schools, offices, retail stores, and public spaces, it allows messages to appear in different colors for better visibility. With energy-efficient LED technology and easy message updates, it offers an effective and attractive communication solution.

## Multi-Color Scrolling LED Board

**The Uptree Multi-Color Scrolling LED Board** is a high-performance digital display that shows scrolling text, graphics, and animations in vibrant RGB colors for eye-catching visuals.

Ideal for schools, businesses, retail stores, and public areas, it allows colorful announcements and advertisements with better visibility. With advanced LED technology and easy content control, it offers a modern solution for dynamic digital communication.
