## Uptree IFP Sliding Board

Experience the perfect fusion of innovation and practicality with the Uptree IFP Sliding Board – a smart companion for your Interactive Flat Panel (IFP).

Engineered with a smooth dual sliding mechanism, it allows you to effortlessly transition between traditional writing surfaces and digital displays, offering the best of both worlds.

Built with a premium, durable frame and high-quality enamel or ceramic writing panels, the Uptree IFP Sliding Board ensures smooth writing, easy cleaning, and long-lasting performance. Its sleek and modern design enhances any environment, making it the perfect addition to classrooms, conference rooms, and training centers seeking a professional and versatile presentation setup.

## Key Features:

- **Dual sliding panels for flexible use – seamlessly switch between digital display and manual writing surfaces**
- **Smooth and silent sliding mechanism for effortless operation**
- **Compatible with all Uptree IFP models, ensuring a perfect fit and integration**
- **Magnetic, scratch-resistant surface – ideal for pinning notes or accessories without damage**
- **High-quality enamel or ceramic writing panels for easy writing and long-lasting clarity**
- **Elegant aluminum frame with a modern, professional finish**
- **Soft-closing system to prevent impact or noise during panel movement**
- **Wall-mount or stand-mount compatibility for versatile installation options**
- **Stain-resistant and easy-to-clean surface, maintaining a fresh look even with frequent use**
- **Durable construction designed for daily heavy-duty performance**
- **Customizable sizes and color options available to suit different environments**
- **Anti-glare coating on writing panels for clear visibility under all lighting conditions**
- **Corrosion-resistant frame and fittings ensuring long life and low maintenance**
- **Integrated marker and duster tray for convenience and organization**
- **Child-safe rounded edges for added safety in school environments**
- **Environment-friendly materials complying with modern safety and sustainability standards**
