About UCS

At Uptree, we understand that each customer has its own unique requirements and challenges.

That's why we adopt a collaborative approach with our clients, investing time in understanding their specific needs to craft bespoke solutions that align perfectly with their goals.

Interactive Flat Panel Display

At Uptree, we offer top-quality interactive flat panel displays that enhance classroom learning with exceptional performance and ease of use. Designed for both teachers and students, our displays create an engaging, immersive environment. With competitive pricing and a commitment to quality, Uptree is your trusted partner for innovative educational solutions.

Features :

- 4k Display Resolution
- Multi Touch
- Integrated K-12 Content
- 3 Years On-Site Warranty
- Lag-Free Writing Experience
- 60,000+ Hours Long Screen Life
- Built-in Speakers
- Screen Recording
- Dual OS: Windows & Android
- Split Screen

OPS System

The Uptree OPS System uses the Open Pluggable Specification (OPS) to seamlessly connect devices to any OPS-compatible display, turning it into a full-featured Windows® PC with no cables needed.

Features :

- High Performance
- Ample Memory & Storage
- Versatile Applications
- Windows OS Compatibility
- OPS Compliance
- Future-Proof Design
- Easy Maintenance
- 4K Support

IFP Trolley

The Uptree Interactive Flat Panel Trolley is a perfect mobility solution for modern classrooms, conference rooms, and collaborative spaces. Designed for versatility, it seamlessly supports 65", 75", and 86" interactive flat panels, ensuring effortless adaptability and convenience.

Features :

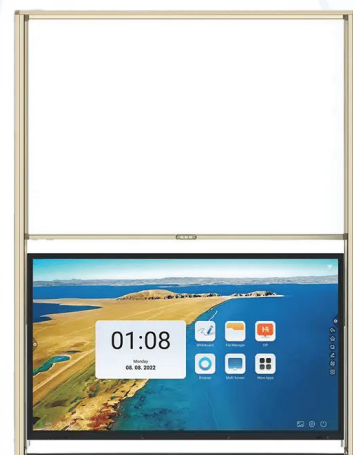

- Universal Compatibility
- Adjustable Height
- Mobility
- Sturdy Construction
- Integrated Cable
- Sleek Design

IFP Sliding Board

Our premium protective enclosure is expertly designed to safeguard Interactive Flat Panel Displays (IFPD) or interactive whiteboards, ensuring durability and long-term performance. Engineered for reliability, it provides a robust solution against common issues like breakage, staining, and scratches, keeping your investment secure and well-maintained.

Features :

- Display size : 65' / 75' / 86'
- Aluminum Frame
- Bronze Color Anodizing
- Modular Design
- Scratch-Resistant Surface
- Space-Saving Sliding Mechanism
- Secure Lock System
- Sturdy Build Quality

Digital Standee

A Digital Standee, also known as a floor-standing digital signage, is designed to provide a dynamic visual experience in spaces where wall or ceiling-mounted displays are impractical.

Features :

- Save Energy
- Lockable Body
- Windows Support
- Crystal Clear Display
- Touch/Non Touch
- Plug & Play

Audio Podium

Uptree's Audio Podium, also known as a digital lecture stand, is an advanced solution designed to meet the presentation needs of educational institutions in lecture theaters and seminar halls.

Features :

- Gooseneck Mic
- Built in Speakers
- Premium Quality
- Easy to Operate
- Mic Integration
- Easy to move

Website Development

At Uptree, we specialise in creating high-quality websites with clean, efficient code across all popular platforms.

Features :

- Static Website
- Dynamic Website
- Hosting with SSL
- Responsive Website
- 99.99% Uptime
- Affordable Prices
- Custom Web Design
- Expert Team
- 24x7 Support
- Result Driven Experience

What Our Clients Say About Us

Choosing Uptree Consultancy Services for our Interactive Flat Panels has been an excellent decision. Their team showcased outstanding professionalism, prompt support, and innovative solutions that have greatly enhanced our digital learning environment. Uptree not only delivered top-quality products but also ensured seamless installation and ongoing support. I highly recommend them for reliable and advanced Ed-tech solutions.

Mr. Pushendu Shekhar Choudhary

(Director at Daffodils Primary & Play School)

Partnering with Uptree Consultancy Services for our school's digital transformation has been seamless and rewarding. Uptree's professionalism and technical expertise shone through as they installed Interactive Flat Panels with K-12 content, a Digital Standee for our reception, and a Robotics and AI Lab fostering hands-on learning and innovation. Their precise management of our digital operations and continuous support exceeded expectations. Uptree has truly elevated our schools with advanced digital tools, and I highly recommend their services for any institution seeking a comprehensive digital upgrade.

Mrs. Manisha Upadhyay

(CEO at Brain Discovery Group of Schools)

As a Principal, my vision has always been to empower my students to become confident, forward-thinking visionaries.

This vision has become a reality, thanks to the exceptional support and innovative solutions provided by Uptree Consultancy Services Private Limited. Their advanced educational technology and seamless services have transformed our learning environment, fostering creativity, critical thinking, and confidence in our students. Uptree has been an invaluable partner in our journey towards educational excellence.

Mrs. Bhavna Yadav

(Principal at Ghaziabad Public School)

Partnering with Uptree Consultancy Services for our marketing needs has been highly rewarding. For the past two years, they have efficiently managed our digital marketing with professionalism and expertise. Their innovative strategies have significantly enhanced our online presence, and their commitment and creativity have streamlined our marketing efforts with measurable results. Working with Uptree has been a pleasure, and we look forward to continuing this successful partnership.
